Objective

I am a curious assertive person, able to solve problems by proposing an innovative and efficient approach.

Skills

Languages

Spanish: native

Italian: bilingual

English: proficient

Work Experience

2014 – 2020 | Public relations agency

For six years I worked in the communication sector participating in different projects that allowed me to develop creativity and initiative, as well as the ability to work in teams.

Education

CP_3 Web applications development – 510 hours

BIT Academy | march–september 2022

During the classes I learned how to build applications and platforms using:

- javascript
- php
- laravel
- Angular

Bachelor Degree in Language and Cultural Mediation

2010–2014 | University of Milan

Lectures focused on innovative translation techniques for different sectors.

Baccalaureate in Computer Science

2007–2010 | Milan

Technical studies that have provided me with the essential tools for the access to the IT industry.
